# About Us

Hanham Secure Health Ltd (HSH) is contracted to deliver the physical healthcare provision at HM Prison Erlestoke; this comprises nursing, advanced clinical practice and GP services, all of which come together to provide high quality planned primary care and urgent/acute care and clinical substance misuse support services. The HSH team works alongside the Avon & Wiltshire Mental Health Partnership NHS Trust (AWP) mental health team within the prisons.

HSH is a private healthcare company owned by shareholders with lengthy experience and knowledge in the offender health sector. HSH offers rates of pay and employment benefits comparable to NHS schemes that many healthcare workers will be accustomed to. HSH prides itself on being a **family friendly** and **equal opportunities** employer.

HSH strives to deliver continuity and equivalence of healthcare services to patients across the secure estate and maintains an ethos that "if you invest in, motivate and develop your workforce, your workforce will be encouraged and enabled to invest in and take care of your service". We achieve this through our five core values:

- » Collaborate Strive to deliver excellence through the supportive exchange, sharing and inspiration of aims, goals, ideas and best practice.
- » Make a difference Enable everyone to make a difference big or small through advocacy, challenging what is not right, leading by example and taking responsibility.
- » Improve Embrace new, innovative and creative ways of working through a culture that supports change, promotes learning and celebrates development.
- » Have integrity Embody a culture of honesty, transparency, fairness, inclusion, respect, compassion and

caring through individual and shared accountability.

» **Put people first** - Adopt a person-centric approach in all areas through effective communication, engagement, recognition, reward and by valuing every patient and believing in every employee.

#### Job Summary

The role of Registered Nurse will work within the Physical Healthcare team to provide a range of primary care services and unplanned emergency care to the adult male patients at HMP Erlestoke.

Previous experience of working within a secure environment or a mental health setting is not required and the successful candidate will receive robust induction and training, as well as on-going training, supervision and mentoring. HSH supports and promotes further learning, development and, where possible, promotion, tailored to individual needs and preferences.

The success of this role relies on strong clinical skills, effective communication, the ability to work effectively within a team and on own initiative, as well as a willingness to be flexible and to adapt.

The role includes access to highly sensitive information and the post holder should, therefore, ensure that they conduct their work with the strictest confidence and comply with information governance, data protection and record keeping policies at all times.

In light of the changing needs in secure healthcare, this job description could be
subject to change in the future.

#### Learning and Development

Hanham Secure Health Ltd is committed to providing a high-quality service through the effective management and development of its employees. Learning and development, training, appraisal and supervision policies and processes support the organisation in achieving its key aims of delivering cost effective, high quality and responsive healthcare, whilst enabling employees to understand how the outcome of their contribution fits within these overall aims. All employees are expected to participate fully in the training, learning and development and appraisal processes and to comply with the relevant policy.

#### Equality and Diversity

It is the responsibility of all employees to support the Hanham Secure Health Ltd vision of promoting a positive approach to diversity and equality of opportunity, to eliminate discrimination and disadvantage in service delivery and employment and to manage, support or comply through the implementation of the organisation's equality and diversity strategies and policies.

## Health and Safety

It is the responsibility of all employees to work with managers to achieve a healthy and safe environment and to take reasonable care of themselves and others. Specific individual responsibilities for health and safety, if

applicable to this role, will be outlined under the Key Responsibilities section.

#### Information Governance and Data Protection

Employees of Hanham Secure Health Ltd have access to information that is sensitive to either an individual or to the organization. In accordance with the requirements of **Information Governance**, **NHS Code of Confidentiality**, **General Data Protection Regulation**, **Data Protection Act (2018)** and the terms and conditions of employment, all employees have a duty to process this information judiciously and lawfully; failure to do so may result in disciplinary action.

### Rehabilitation of Offenders Act (1974)

This post is subject to an exception order under the provisions of the **Rehabilitation of Offenders Act (1974**). This stipulates that all previous convictions, including those that are 'spent', must be declared. Previous convictions will not necessarily preclude an individual from employment within Hanham Secure Health Ltd but must be declared in writing at the appropriate stage during the recruitment process.

#### About HM Prison Erlestoke:

HMP Erlestoke is the only prison in Wiltshire and is situated in the village of Erlestoke, near Devizes. It was originally created as a country house; built by Joshua Smith, an MP for Devizes, back in the late 18th century. After being damaged in a fire in the 1950s, it was converted into a prison.

HMP Erlestoke is a category C adult male prison with a capacity of around 500. It has a focus on reducing reoffending by preparing inmates effectively for their release.
