### **Job summary**

We are looking for a GP to cover our EA session on a Thursday each week at our semi-rural training practice, a short drive from Bristol.

Our practice aims to run as efficiently as possible with excellent admin and IT support (EMIS) with many letters/results dealt with for you. A buddy system is in place for checking results, mentoring opportunities available to all, admin time and coffee/tea breaks. Clinicians catch up each day at breaks and through Teams. There is a culture of learning through regular clinical meetings, opportunities for developing knowledge in specialist areas and being involved in research projects. We are a Park Run practice, interested in the environment and individual wellbeing. We have a garden and an active social team.

### **Main duties of the job**

A usual session would start at 4:00pm and finish at 8:00pm.

The appointments before 6.00pm would be booked on the day as second on duty and where we can, we try to book these as phone calls.

The appointments from 6.30pm onwards are pre booked by the Reception Team and are rarely face to face appointments.

### **About us**

We care for 14,500e patients, our team includes ANPs, Clinical Pharmacists, a Mental Health Worker and Physiotherapists.

*Its one of the most organised practises Ive worked in.* (GP who has recently joined).

Here is what a GP who moved to work in Wales said:

*"I would unreservedly recommend working at FVMC. Welcoming and friendly, good pay, workload manageable. Very flexible, accommodating, they ensure that staff are well supported, nurturing a culture of helping one another and having good relationships which makes it a lovely place to work."*

## **Job description**

### **Job responsibilities**

We are looking for a GP to cover our EA session every Thursday.

Appointments would start at 4:00 pm through to 8:00 pm.

The appointments before 6.00 pm would be booked on the day as second on duty and where we can, we try to book these as phone calls. There will be spaces in the rota to be used by you to book telephone patients in if you decide you need to see them.

Appointments from 6.30 pm onwards are pre booked by the Reception Team and are rarely face to face.

You would not be expected to have a patient list.

You would be part of a blood buddy group who would check your results and deal with anything urgent for you. Other results will be left for you to deal with each week.

You would not be asked to do home visits (unless we had a major issue and no one else could go).

You would not be on call but some of your appointments would be as our second on GP as stated previously who is there to support the duty GP.
